Goodbye Nader. Thank you for being a large influence in our lives growing up. I will never forget that sideways grin you had just before you said something that would put us in stitches laughing. I cherish the time we had as kids growing up in Edgerton and will never forget you. Your friend

Deepest condolences to Al's family. It's been awhile since we have seen each other but our great times together always come up in conversation. We always had a great time together whether it was at work or play. Maybe even a beer or 2 were part of that. RIP buddy.

I worked with Al for many years out at CCS Lindbergh. He was like a dad figure to me and showed me right from wrong. I enjoyed stopping in at his acreage for a Lucky Lager and catching up. I won't forget the rounds of golf and quad trips we shared over the years. He was a good man and I'll always appreciate what he taught me: rest easy Al and my condolences to all of his family.
