Tribute from Gail Snook

Relation: elementary school with my son

My heart aches for Amanda's family and friend's. Amanda went to elementary school with my son Jeremy. i know what your feeling right now and no words for comfort. Brian and I lost our precious son Oct.3 with brain cancer. right now the memories are the hardest. Hopefully, with time we can smile and not so many tear's. Amanda and Jeremy are together again and will give us the strength to carry on. Amanda would never want our sorrow to block out laughter. She would never want our tears to blind us from sunshine. She would never want her passing to fill our days with loneliness and sadness. She would want us to remember her with love and laughter, with jokes and smiles. Amanda is still an

angel - but now in heaven and Amanda is still smiling - but now in our hearts. Forever.....
