Tribute from Ken Pankiw

Relation: Cousin

The years truly move by quickly, as it was only yesterday and we all cousins would get together on the farms and visit our Aunts & Uncles and go to school together in Elk Point. At this time we are sending the families of Amelia our condolences of their loss. She truly was a beautiful person inside & out, in spirit & love and her smile proves it, thus we will always miss her. Through the grace of God may all who grieve of her loss know that through her faith God has prepared a place for her. May God be with you all at this time.

Tribute from Kelly McPherson (nee Woolard)

Relation: Amelia was my auntie

My deepest condolences to Amelia's family and friends, and all who have known her. I will always remember when she came to visit us in BC. She helped my mother (her sister Ollie [Olga] made my brothers and I the most awesome costumes! One year I was Raggedy Ann. And Aunt Amelia, taught me not to be scared of needles, when I had a nasty sliver on my finger... she took it out so gently and easily. Amelia was drawn to nursing, because she was a gift. Amelia is still a gift to me. I light a candle for her and look at the pics I have... and have very fond memories. All the best to you... Denis and Dennis and Jen... Love & Peace... Kelly
