I knew Andrew from the time I was a little kid. I remember being at his wedding and being lifted up to kiss the bride and groom! We enjoyed seeing him out for coffee and sharing in his jokes. Andrew, may you Rest in Peace!

Relation: Friend and neighbour

Andy and extended families, sincere condolences on the passing of your dad. I have many fond memories of your dad. We attended many farm auctions together and he had away about him that would always make us smile. His memories lives on in our hearts.

### **Tribute from Diane Chretien**

Relation: Friend

Our deepest sympathy to the family. I've known Mr Pearson since I was a little girl. We got reacquainted in the last six months when I would talk to him at Sunnyside every time I visited my sister. He was a great friend.
