**Tribute from Blair Gogowich**

Relation: Grand Nephew

Sending Great auntie Anna my prayers, and to Great Uncle Mike my deepest condolences, I'll always remember her as fun lighthearted caring person, who never shy'd away from poking fun at a situation or making light of something, she was always able to break the ice with a joke. I'll always remember her making jokes to my Dad about having a big "fancy corvette when he was young" It always made my Dad laugh when she would poke fun at him. I loved seeing how she could make everyone around her lighten up. She was always so kind to Big Baba and I'm sure they'll be meeting up in heaven. My sincerest condolences ..
