Tribute from marilyn mcombie

Relation: She lived two doors down my sister and her family.

I met Annie through my sister and her family, Robert and Dolly Delve, who lived two doors from her. I lived in St. Paul from 2003 to 2017. I had coffee and of course lots of her terrific baking when I visited her in her home. She was a fun lady with an infectious laugh. Whenever I would see her, whether it be in MacDonalds having coffee with her friends, out in a store or in her home she always had a smile for me. What a wonderful world this would be if there were more Annies.
