Bewick Ode to Audrey Eleanor Houle,

Life...it takes from us all and it gives to us all. The sad loss of Audrey Eleanor Houle will all always be remembered by the legacy she left behind. For her choice to have her children is her true legacy.

We knew not Audrey well...but we have no hesitation in speaking of one leg of her legacy she has left on this earth. Her son Danny, and we think she would agree as she rests with her higher power today. Tough roads lead to strong upbringings.

We are the proud aunt and uncle of Danny and Jenni....and we are the very proud great-aunt and great-uncle to their three boys, Audreys' grandchildren, Nathan, Bohan and Simon...Audrey's legacy is living on with great hopes for the whole family...just one branch of the tree of life that Audrey leaves with us...her legacy lives on but we all will sorely miss Audrey as her children, grandchildren and great-grandchildren go forward to fulfill her hopes, her heritage and love, with great pride.

Sleep tight Audrey, high upon your mountain, for those you left on this earth will fulfill your legacy...in that we trust.

With much love and sorrow,

Tes and Bill Bewick

Thoughts, prayers, heartfelt condolences and deepest sympathies to her family and friends. So sorry for your loss. Other family members, friends or relatives may pass, but the death of your mother is the hardest loss of all.
