Colleen, Lora, Rocky and families. My sincerest sympathy to all of you on the loss of Babe. Oh, the music in Heaven must be awesome. With Mr. Smuk and Harry already there, the dancing can begin as the band is almost complete. I enjoyed Babe's musical skills as many did. He will be missed by all, but Heaven has gained another angel! Sincerely, Arlys (Maas) Parke

Tribute from Don Zarowny

Relation: Friend & former contractor colleague

Sincere sympathies from my wife and I to Colleen & Rocky and all your families. Great memories of attending the Student Transportation Annual Conferences and sitting at Babes table with many others listening to him reminisce of the many incidents that were associated with his past bussing experiences. Also, I appreciated Babe allowing me to hunt on his river property, but he would always say, don't tell Colleen. In return I would bring wild sausage, smokies and pepporoni, of which he commented that was totally enjoyed.

Please accept our sincere sympathy to Babe's family and friends. I have a few good memories of Babe he would sometimes be our sub bus driver and i got home fast, just in time to catch 30 minutes of Edge of Night. He was also a fair man, and when he spoke you listened. I remember getting some sound advice from Babe, and I listened. Thank you Babe. RIP until we meet again.
