To Jill and Barry's immediate family as well as his mother and siblings, I want to extend my sincere sympathy for the passing of Barry so suddenly. As a first cousin of his, I certainly do remember the young and very active Barry that is described in his obituary. Our families enjoyed many great social occasions together and Barry's smile was always as distinctive as in his present photo. My prayers are with you and may he rest in peace.

Jill and Family,

We are so sad to hear of Barry's passing! We remember Barry as a motivated, articulate, wholesome, sincere, steadfast and stalwart individual. His hearty laugh made 'us' laugh...his radiant smile made 'us' smile. He was a huge cog in the family wheel, and his absence leaves a gigantic void for all. May each of you find comfort in pleasant memories. May he rest in peace.

Tribute from Frank Braun

Relation: I am his father-in-law

In memory of a very special, hard working, devoted family man. While my time with Barry was limited, it was always friendly, pleasant and filled with lively discussions. His love for his wife and children were a favorite topic. He knew his accomplishments would not have been achieved without Jill by his side.

Hopefully Jill, your tragic loss will be softened by many happy memories. Not only have you lost your husband but also your partner as you were a great team.

May Barry rest in peace in heaven.

With our love and fond memories.

Dear Barrie and Family,

I am going to miss you Barry. You led your life on your terms, and I respect that. Family, I/we are not attending the service today only because of health reasons (COVID 19 safety), and are sad for that. We would like to be with you. We are sending our love and good energy anyways and will meet you again to celebrate Barry.
