Tribute from Betty Wikdahl

Relation: Bobby is a relative of my husband (Henry) (Deceased in 2010)

My son Gordon and I met Becky the day she married Bobby. She was a beautiful bride, and I thought then that Becky was someone very special, that Bobby chose that day to marry. Becky was here on earth for too short of time. But she brought much happiness being a wife, friend and Mother to two children.

Our prayers are with the loved ones that are missing her. Becky will be missed by many.

Betty and Gord

Tribute from Karen Lee

Relation: Family

Dear Becky's family. I am heart broken that Becky is lost at such a young age in the most loving committed time of her life. From afar I witnessed her love for her husband, children and family in her determination and fight to be with you all in body and spirit. I know she will live in your hearts and actions as you move forward with her in spirit. Sorry we can't be with you today but we are with you from my heart and prayers for the blessing of healing and love to shine. Love Karen Lee and Paul Dupuis.
