Sorry for your loss Aunty and family. I had an opportunity to see uncle before Christmas. When a group of firemen and I went around to the hospital, extended care and sunny side. I won't forget what he said to me. "I thought I recognize you" he told me. I chatted with him for a short while till my group was leaving. I Wished him a Merry Christmas. It was nice to see him. Our thought and prayer are with you and family in this difficult time.
