Tribute from Tannele Jacobson

Relation: Grandpa

Grandpa. I wish I was able to see you and get one last hug. Spending time with you and grandma on the farm or even in St.Paul was some of my funnest childhood memories. I loved going to the neighbours with you grandpa, or walking out to the mailbox together. May not seem fun to most kids now, but going to the Co-op and sitting with you and your friends having coffee will always be a fond memory for me. Since we moved to our acreage and had our first live Christmas tree, I was reminded of the many live trees you would get for grandma. Such love you had for grandma. Remember the time we went in the truck, up and down roads looking for the prefect tree to plant out the front window on the farm? I can't remember how long we were out for, but we got a great tree, dug it up, brought it home, and planted it. You named it the Tannele tree. As soon as spring comes, I am going to plant a tree and call it Grandpa. I told grandma she should sleep with your rainbow blanket. One day to, I hope to sleep with your rainbow blankie. I will miss you deeply, as so many will grandpa. I love you. Much love and god bless.

Relation: Family friend

We the family of the late Peter Burak were saddened to hear of Bernie's passing. Bernie was a very special friend to our dad, spending several hours visiting and reminiscing of years gone by. Dad and Bernie enjoyed having coffee at the Coop , visiting with many others . Once dad was no longer able to go to the Coop, Bernie would stop over at dads and they would enjoy each other's company, having coffee, sometimes it was stronger than coffee, watching Judge Judy and even at times got into a

spirited debate! Often when we would stop by to visit with dad , Bernie would be there and always enjoyed visiting with us as well , always extending greetings to the rest of the family or extending an invitation to stop by anytime . Bernie and Blanche 's door was always open to all ! We hold a special place in our heart for Bernie , he will be truly missed. Blanche and family ,please know that you are in our thoughts and prayers , if be could , we would be there to hug you and let you know in person how saddened we are and we will be forever grateful that Bernie was such a good friend to our dad!
Sending our thoughts and prayers to you all!

Tribute from Vicky Slowski

Relation: Good friends.

Blanch and family: My sincere condolences to you all. I have many great memories of times spent together - sharing birthdays, anniversaries, weddings, Halloween, and other occasions. We once made homemade ice cream together, put it in the freezer to chill, and later came back from the tavern to enjoy our wonderful treat. On a beautiful summer day, the boys left hay that was ready to be

baled, hooked up the boat and took everyone to the lake for a day of waterskiing. It may have rained that night, but the good times were worth it. We were very fortunate to be part of your extended family. Bernie will be sadly missed by all. Love, Vicky Slowski

Tribute from Robert Slowski

Relation: Friend.

This news hits really hard. I can't count how many times Bernie (and Blanch) sat at my mom and dad's kitchen table, talking and laughing until the wee hours of the morning. Great memories. I also can't count how many times as a dusty and dirty teenager out in the field driving a tractor on a hot summer day, where I would notice that red and white Mercury truck bouncing across the field toward me. Bernie would jump out, smile, hand me a cold one, and ask me how my day was going. It is impossible to describe how good it made me feel to be sitting on the tailgate of that truck, talking and having a beer with Bernie. It doesn't get any better than that. Thank you Bernie Martin. My sincerest condolences to Blanch and all of the Martin family.
