My deepest sympathies to the family. Betty was someone that us up and coming racers could look up to and learn from. Loved to watch her ride. She will be missed.

Relation: I knew her from my work place

Gwen and Judy - I am so sorry to hear that Betty passed away. My father passed away last week and I was checking his messages and was so shocked to see Betty's name. My heart goes out to you and your family. I know how much all of you will miss her. I always admired how you girls worked so hard and did such an awesome job with the horses and the ranch. I know it will be hard to continue on without her. My deepest and sincere sympathy to both of you and your family!
