With much Sadness I am writing this. You were such an Angel on this Earth, Loved and Cared about by anyone that knew you. You would do anything for anyone no matter what. You will be very sadly missed. But can join all the other deserving Angel's up there in heaven like Daddy and Momma. You will be forever in my heart and prayers and sadly missed forever. We will all help Clarence (Dad) deal with the Love of his life living in Heaven. Until he can join you in many many years. But it's not Goodbye for anyone of us its until we meet again. Love and miss you so much my beautiful Angel. I know you will make sure everyone is feed and looked after like you always did on Earth. Enjoy those Angel Wings (mom) you so deserve them. Big big hugs and much Love to the Moon and Back forever and ever.

Love Always

Due to distances, I did not spend much time with Aunt Blanche, but I enjoyed the few times I shared with her. She was always upbeat and joyful. And she made me feel welcomed.
