### **Tribute from Jim Glenn**

Relation: Chad's mother's cousin

I am Norma's cousin; our Mothers were sisters.

I met Chad only once. This was about twenty years ago in Manitoba at a family anniversary celebration. Chad was one year older than my daughter and they hit it off pretty well. They hung out with some of the older people until that wasn't cool and then ventured out as teenagers. They invited younger teenagers to tag along with them. Fond memories were made that weekend.

Because we lived a thousand miles apart the friendships never grew. However, my daughter often would mention Chad.

For you Tracy...Our very sincere sympathy. This is a terrible time. You and your family must lean on each other. Lean on your larger family, your friends and the community.

Although I cannot attend on Thursday I will attend on Thanksgiving in Rycroft.

Love from Jim Glenn & family

Dear Norma,

How terrible to hear of your son's passing. I want you to know that my thoughts and prayers are with you. My heart hurts for you. I cannot imagine what you must be experiencing at this sad time but please rest in the love of those who care for you. Your compassion has touched so many. Let your family and friends now be there for you.

My prayers also go out to the Chad's wife and children who have lost a partner and a dad. May God be near them supporting with his comfort as they walk through this time together.

If there is anything that I can do, please let me know.

With my love,  
Bernice

Dear friend, I hope you are at peace. I have thought of you and your family often thru the years, but wow buddy. I guess I am still in shock as to me, from the day we met, you were invincible, just like your spirit!

You will always have a special place in all our hearts, and at least we can take comfort that you are with Gage. RIP Always.
