Tribute from Juliette Moore

Relation: step-father

Want to say good-bye sweet man. You were my hero for most of my growing up years and I will miss you, especially your jokes and down-right wise words. You had a heart as big as the world and when you took on the task of helping to support five girls you took on a job pretty big but you did it. I think the one thing that sums it all up in my eyes is "You did it your way" Adious Amigos

You are now in heaven with all gone before. Love you Chester

Tribute from Leah Marie Strynadka

Relation: Grandfather

My dear Papa, my bestt memories are camping with you and Meimiere', visiting your relatives in Goodfish, and staying at Pow Wows...not sleeping because you were up singing all night! You moved

to BC to save me, and I will always be grateful. I love you, this world was a better place with you in it. "A TippyToe and Cotton go fishin' on the bayou, have a lotta fun on my little piero, along come an aligator overturn the piero....." will forever be in my heart. You are missed.
