**Tribute from Dealia Milner**

Relation: Cousin by marriage

It is with a heavy heart for my cousin Lisa and she and Danny's family that I write this. Having over a hundred first cousins and living in different places we don't always get to know each other very well. What I do know is that when one loses their sweetheart, father, brother and more, it is not easy. Lisa and I married our sweetheart's around the same time and lost them around the same time and this we hold in common. I had met Danny prior to Lisa and his marriage and knew him to be a fine and good man. It was obvious that Lisa and Danny were very much in love. It is my prayer that God's peace will distill upon your soul Lisa and upon your family's souls and that you will know that you are not alone and that you are loved.
