Tribute from Dennis Wells-Wolfe Sr

Relation: Friend

Condolences to all of Danny's family. In this life we meet people who leave a lasting imprint, they bring out the best in each of us. My buddy Danny and I had a unique Face Book Relationship where we would try out do each other with Wit and humor. I am sure going to miss you Buddy, this summer God willing when I hear Thunder, I will know your teasing our Creator. RIP My friend until we meet again.
