Dear Marlene, Albin and family members. Sending you love, hugs, comfort and sympathy on the loss of your Mom. I have so many fond memories growing up of Dina as she provided me comfort and friendship during the absence of my mother. I have some many fond memories of the fun times with her as she shared her time and family with ours. I hope that all the memories of her will sustain you all throughout your lives. Rest In Peace dear Dina. Fondly and gratefully. Ingrid

Tribute from Wanda Leaf

Relation: Niece

When I was a little girl I loved going to the farm. Uncle Harry was a little scary to me. But as I grew I realized that he was simply a quiet man. Auntie Dina was welcoming and we laughed a lot. And she was a good cook..yummy! She used to pinch me a lot...it was a sign of affection but it hurt! She had a good grip! I cherish the memory ..but I don't miss the "pinch"! She was feisty and spoke her mind. I am so glad I got to see her again a few years ago. She still had the same spunk that I loved. God speed Auntie till we meet again. Wanda

Tribute from Ed and Annette Gregoraschuk

Tribute from Vali Hewitt(Berg)

Relation: Friend and neighbour

My heartfelt sympathy Marlene, Albin and all of your families. I know your Mom will be missed. She was a very special angel in my life and always welcomed the Berg girls when we walked up their driveway. We got to know her brothers and sisters and their families and were often included in their many celebrations. I missed my Mom very much when she was away at work and the hundreds of times that I was there to see Dina, she always welcomed me like I was family. There are no words to express my gratitude. REST IN PEACE
Words fail to express my deep sorrow for your loss.
