Della, you and Donald were good friends with mom and dad. I remember that you visited back and forth many times when I still lived in Heinsburg playing cards and having fun. If memory serves me correct Donald and dad curled together often. Then there was also dances that were enjoyed by all of you. Donald had a great laugh and his memory will live on.

Tribute from Melissa JR and Kids

Relation: Uncle

I think I was around 10 when I finally realized that Uncle Donald and Aunty Della were actually my cousins, not my Aunt and Uncle. That never changed a thing, from Proms and Graduations to wedding and eventually kids, they never missed a thing, when Mom passed away, they were there.

There will always be a special place for Uncle Donald with me, all the time I spent with them going to Mustang Games, feeding cows gathering eggs and at the lake and rodeos.

I know he found where he was going, and I will always be happy to say he was my Uncle Donald.
