"A Loving Heart.....A Beautiful Soul"!

Many years ago, on a beautiful summer day, Doris & I were enjoying a walk on the farm. During conversation, I told her it would be wonderful if she would take a vacation from the farm. Her reply: "No thank you, I love my farm. When my family & friends come to visit, that IS a vacation....and the only vacation I will ever need." In truth, and spoken from her heart! I responded with a huge hug and told her she was ONE rare breed, indeed! I will never forget that moment....that simple moment in time. The memories she leaves behind are priceless, and I am genuinely grateful my 3 Sons have been blessed with having this kind & gentle Lady as their Baba. I thank her, for her unconditional love & support she has given them throughout their lives.

My sincere & respectful condolences to ALL of Doris's Family. She was loved & appreciated by many.
