"A Father's Love Endures

I have seen strength, like an oak in the storm...I have felt the gentleness, like a gold summer dawn...I have heard laughter, like a splashing waterfall...I have felt protection, like a shelter all around...All from a life that gave me life...All from my father's love. " M. E. Miro

May you find comfort in remembering all the guidance, strength and love with which your husband,

father, grandfather, great grandfather touched your life. Those precious gifts will always come to you in memories...I am deeply saddened by your loss.

Relation: Neighbor, friend

We were saddened to hear of Ed's passing. The Hassans were our next door neighbors for many years and we could not have imagined better neighbors. There was always a good word exchanged about our gardens, fishing, and, of course, hockey. Our children grew up, with Lisa and Mark, in a quiet and pleasant corner of our town.

In his semi-retirement, it was always a pleasure to meet with Ed and catch up on what was going on in our lives. We will miss him.

Our sincerest condolences to Dianne, Lisa, and Mark. You have lost a wonderful husband and father. May the memories you have sustain you through this trying time and in the years to come.
