#### **Tribute from Meredith**

Relation: Nurse

I am one of the many nurses that cared for Ferlin in the ICU in Fargo. My heart broke today when I read of his passing. Many of the staff have often spoken of Ferlin, wondering how he was doing and just what an all around nice guy he was. He and I often talked about hockey, it's not often that I get to do that with patients:) My prayers to Ferlin and those he left behind. It was truly a privilege to care for Ferlin!

My sincere condolences to Ferlin's family on your loss. I recall Ferlin as a pleasant student who always had a sense of humour. He excelled in team sports especially in volleyball.
