Tribute from Stephanie Burns

Relation: He and his wife ran the daycare I attended.

Hi Darren and Darcy,

Along time ago your parents ran a daycare in Okotoks and I attended that daycare as a child. Your parents were a big deal in my life as a child and I can also remember the both of you. Being a little kid I was always thrilled whenever you were willing to play cause you were "big" kids. I'm so sorry for your dad's passing he was a very kind man. I just know that he and your mom are now reunited and both are with you always. Take care. Stephanie.

We are sorry to hear of your family loss. We were friends of Dan and Agnes, sharing their home garden plot on Mission in St Albert for many years and they talked fondly about Fred and his family. Please accept our condolences..

Tribute from Rod Mumby

Relation: Friend

I got to know Fred in Turner Valley and always enjoyed our conversations and time together. Fred did a lot things very well and one of my fondest members of Fred is a painting he painted which we bought and display proudly in our home. Our prayers and thoughts are with Fred's family at this time.

Tribute from Linda Yeandle

Relation: Friend

We saw Fred's obituary in the Western Wheel here in Okotoks this week and were saddened to see Fred had passed away. We send our sincere condolences to all the family. We sat in the common room and reminisced about Beryl and Fred's time at Sheep River House. Those in the common room are Linda, Lorraine and Justine. Fred's birch tree grove painting still hangs in the common room. Sorry, I couldn't find the picture I thought I had. They were my next door neighbour while here. Sincerely Linda and the Sheep River House residents that remember Fred and Beryl.
