Gayle, a beautiful woman inside and out. I first met her at NAIT in 2011, we were close right away, that feeling you get where you know you have met before in another time. I know she had recently lost her way, and it hurt to know she was in pain with no way to help her. But she may now rest peacefully in the arms of our creator. Bless her sweet soul, she will be missed. Sending positive vibes to her daughter and family.

Tribute from Jessie Calder

Sending my most deepest, sincere condolences to Gayle's family. Especially to her daughter Santana-big hugs.
