Dear Loretta, James, Sherry, Joni, and families,

Our deepest condolences to all of you on the loss of your beloved husband, Dad, and Papa. The Holliday family can relate to the grief and heartbreak you are feeling right now. Our prayers are with you.

Indeed, George was a man well liked and highly respected by his friends. His passing leaves a big hole in your families and in the community.

In time, may your many wonderful memories bring you comfort and a smile. Right now, remember that where there is deep grief there was (is) great love.

With fondness,

Tribute from Tim Holliday

Relation: Honored to call him a friend

I would like to send my deepest condolences to Loretta and the rest of the family. I was lucky enough to have known George throughout my life. The larger than life cowboy when I was a kid, running into him hunting many times, visiting with him when he would stop by the farm and always present at my annual pig roast.

George was someone to look up to for who he was. He was as honest as the day is long. When he gave you his word, it was his bond. If he told you something it was the truth because he didn't know anything else. And when he called you a friend, you were in the very best company. It is an honor to have known a man like that.

Loretta, James, Sherry, Joni and family, there are no words to ease the sorrow and loss of such a gentle and loving soul. He was always the most welcoming man with the warmest smile and easy manner. I have many treasured memories of our families visiting together. He was Dad's cherished cousin and his good buddy, and I'm pretty sure they've had a fine reunion now that they have both moved on to different pastures. I hope you find some peace in the knowledge that he loved you all deeply.

Tribute from Karen Mayner

Relation: Cousin in law/family friend

Loretta, James, Sherry, Joni and families. Sincere condolences on the loss of your husband, dad and grandfather. George was one of those genuine friendly down to Earth people as I remember him, both in my childhood and in more recent years when I would see him at family gatherings. I think of him fondly riding those horses or visiting my parents' farm to 'shoot the breeze' with them and share some stories. Thoughts and prayers are with you at this difficult time. Sincerely Karen (Scott) and Glen Mayner and family.
