Relation: I am a good friend of Claire's and Gerald and I had mutual friends.

I'm very sad to hear of the sudden passing of Gerald. Gerald was a very kind and thoughtful person and he will be sorely missed. When my husband was diagnosed with cancer, Gerald visited and brought him lots of hope sharing his cancer journey and success. Gerald was always the one helping out at any gathering. He was always interested in others and was an overall good person. Please accept my deepest sympathies.

Gerry, we were to have met a week later. I was so shocked when Amanda told me what happened. I will miss you forever. You took piece of my heart with you but I still have a large part of it for you. Love you. Always on my mind. All my friends that met you loved you for your humour, your wit, your

gentleness. And of course the pride you took in your children and grandchildren, they loved you to no end. Seth, the genius, and Madelyn the Dancing Queen  
I love you Gerry, may you have peace.
