Our sincere sympathy on the loss of Glen. I (Edith) have known Glen since 1970 when I taught at Ashmont. Glen was a great bus driver and a big tease. I will remember his big laugh, his teasing, and his genuine niceness. Herb has special memories of Glen when he would come for a haircut. He always had lots to talk about and stories to tell. Our thoughts are with you during this difficult time.

Jean, James, Heather and Darren and Families,

Our hearts go out to you all in the passing of Glen; please know you are in our hearts and prayers. Please know we are thinking of you in your time of great sorrow. Words cannot express how very saddened we are to lose Glen in our lives. He was one of the first people we met upon moving to Ashmont many years ago. We will always remember his great friendliness and smile, how he liked to tell jokes and his great sense of humor. We got the Edmonton Journal every week at Doug's Service for many years up until last fall; so Garry always had a weekly visit with Glen! How we appreciated that Doug, then Glen and your family operated Doug's Service, it was such an important service in our community. We also appreciated our last visit with Glen and admired his courage in facing his illness. We have so many good memories of Glen; he was such a good person and he will be greatly missed.

Tribute from Sandra Richardson [Hays]

Relation: Brother

Unable to be with the family today, due to illness. My heart is with Jean and the family. Remembering my brother was full of jokes, laughter, and kindness. He enjoyed people, enjoyed the large vehicles caring super loads on the highway. He enjoyed music, musical movies, at one point he had seen the sound of music, thirteen times. In his younger years he played a trombone in a band and skating, he tried skiing, singing at church choir.

He would hold my hand and I knew every thing was fine. He was my family rock and I will miss him. God bless him and his family.

Tribute from showers

Relation: former school teacher

May Heavenly Father comfort you at this time. My name is no longer Showers but you may recall that name as I was a former teacher in Ashmont and Murray was an RCMP many years ago. Fun memories cross my mind - Glen offering to sell us a school bus when I had twins and our family of four became 6 - Darren telling me and the whole class that he came from a liquor store-- I learned later that the adoption office was above a liquor store so his story was not all that off the wall !! I have many fond memories of living in St Paul. I pray you will find peace and strength to carry on as Glen would want you to do. Sincerely Suzanne Beaulne
