Tribute from Jan Garska

Relation: school friend of donnas

My deepest condolences to Jeep and family. Donna and I were buddies in school for many years and I spent a lot of time at Jeeps and Graces home. As I was there so much, Grace and Jeep treated me like one of their own. I always treasured the wonderful times I spent with Donna (just hanging out) and her parents. I regret that I did not see Grace before her health deteriorated. It is also very sad for me that my daughter Bree (who is Evans girlfriend) was not able to ever meet Grandma Grace as she was one of the most wonderful persons I have ever had the pleasure to meet and spend so much time with. My deepest sympathies to your whole family.

Tribute from Arlene & Sherwin Prysunka

Relation: Friends of the families

Jeep, Donna, Daryl and families: It is at time of a great loss that we realise how limiting words can be and how special friends truly are. Please know that we are mourning with you the loss of our special friend Grace who was very dear to our family. Grace was the most infectious personality, her smile lit up the room and her opinion was a true definition of her beliefs. Grace taught us that life and family was everything - we know as we became hers. Many evenings became early mornings (Thank you Jeep for putting up with us) sharing a great meal or tasting pickles by the round table....a good eye on spotting antiques, many debates about whether it was a brown or black bears... her passion and way before her time of design and remodeling. My time with Grace at UFA made me realize that Grace truly cared about everyone, and the customer was usually right....As Sherwin and I raised our glass and made a TOAST to our friend..we will truly miss, however our memories will never fade, as yours won't either..Take care of each other and we know the spirit of Grace will live on through all of us left behind...The Prysunka Family - Sherwin, Arlene, Stephanie, Bryce.

Tribute from Suzelle Van Brabant

Cherish all those memory albums of hers! My thoughts are with you.
