Tribute from P Dixon

Relation: friend

Dear Cardinal family; we were sorry to read of the passing of little Greyson. We are never prepared for the passing of our loved ones, especially our children. And this is because we were not created to die. Our Creator created mankind to live forever. Soon God will return the earth back to a paradise and little Greyson will be able to live on earth eternally. Rev 21:3,4

Relation: Stollery Family

I've been sitting here thinking of what to say, the truth is there are no words except I'm sorry for your loss. Greyson was the oldest and wisest 2 year old I ever met. He had an amazing personality no matter how bad a day you're having you can't help but smile when you hear his voice. He was our first roommate in the hospital and his positivity and energy helped me get through our initial diagnosis days. He will always be remembered in our family.

Michelle, Emroy, Sherry and Family

We are so sorry to hear that Grayson is no longer with us. He will always live in our hearts as this amazing little boy who was one of our favorite room mates. We loved seeing Grayson whenever he was in hospital, he was always happy and on the go. We feel very lucky to have known him and will miss him.
