### **Tribute from Diane Tritthardt**

Relation: Friend

I am so sorry to hear that Haffie passed away.

I met her when she lived in the trailer.

We had very many discussions together about the Bible and I always appreciated her love for what is right. She also had a good sense of humour.

I was able to see her in the hospital on several occasions.

I will miss her dearly.

We often talked about the future when the Bible promises no more death. John 15:28,29

We accept my sympathy to all your family.
