So sorry to hear of Henry's passing. I had met Vern Billey several weeks ago who told me of his being ill as well as what a wonderful person he was. I only have memories of the family when I was young living in Bellis but did want to pass on my wishes of strength to the family.

Tribute from Chris

There is so much to say about Hank that I don't know where to begin. He is one of the smartest men I know. There was nothing too small or too big he could not fix. Nothing ever stumped him. I was very very fortunate to of been part of the Zawaduk family. Hank always treated me like one of his own, Never not listening to what I said or took me for granted. Hank was very quick witted and always had

a great sense of humor. He never would make a joke out loud but in his own way would say something or do something that if you didn't catch you were out of luck. He always made sure other came first before him and anything he owned was yours as well. His hair, oh his hair was always just perfect just like Johnny Cash. There is something else he got me hooked on was that great old time country music. Thank you will always be in my thoughts and prayers.

My thoughts and prayers go out to all of you and love you all.
