**Tribute from Paul E Boisvert**

Relation: friend

To "Stan's" children I wish to extend my most sincere condolences... Over the past 20+ years I have considered Stan to be a friend either on the golf course or on the curling lanes... It has been a pleasure to share so many adventures with him. I can assure you that the senior ice-curling fraternity of St. Paul have missed him since he had to end his curling participation. Ölé my friend!
