Relation: long-time friend and admirer

Marie, Russell and family, so sorry to hear about your mom. She was such a positive influence on so many people. I wondered some times if you felt a bit cheated because she was like another mother to so many people. Thanks for sharing her with us. I will forever remember her kindness, generosity and her zest for life. I had always hoped we could reconnect at some point, but I guess it wasn't to be. Take care of each other and embrace the memories.
