Condolences and wishes for peace for the entire family in the loss of your Mom, Grandmother, and Great Grandmother. I really appreciated how welcoming Grandma Jean always was, and how she treated me like a member of her family. She will be missed to be sure. Wishing all of you God's blessings and peace with many happy memories of Jean in the days ahead!

Tribute from Tracy Kjenner

I recall getting to know Jean when I worked at the lodge and Melvin's mom was living there. When Jean & Melvin would come to visit his mom, Melvin would often have something to tease me about and Jean always had a smile on her face and something kind to say. Good memories. Condolences to all the family.

My dear friend Mona, Mamas may leave but memories never will. To all the family and friends of Jean I extend my sincere condolences to as you mourn the loss of this great woman who wore so many hats. Jean always had a twinkle in her eye and as we mourn, we celebrate all the moments in time when we shared life and reflect on the lessons that she taught us, through those shared times.
