Uncle Jerry was a wonderful, gentle man. He was always sweet to me, never raised his voice and I wish I could have gotten to know more about his Cree background. He will be missed very much. I love you, Uncle Jerry.

Tribute from Patricia Vanier

Relation: former GMU student

Humble, Wise, Compassionate and Good Humoured - that is Jerry as I remember him. He was one of very few visitors I had as a Mental Health student and patient when I was sick. His gentle, yet strong, presence helped me on my healing path when I needed it. Bright Blessings on his journey to the Spirit world and comfort for the family who loved him

Tribute from Kristin Blades

Relation: Through work

Deepest condolences to Gisele and your family. Jerry (and Gisele) welcomed my motley crew of Coyote Kids out at their retreat. Jerry was a truly spiritual man and instantly could connect with the kids on a personal level as well as offering encouragement to their caregivers and myself. God bless and you will be missed.

Tribute from Peter Joseph Dranchuk

Relation: He was the first Elder to teach me

He was a good Elder and was the first to teach me about Aboriginal Culture and Spirituality, and introduced me to a whole new world. I suppose he is now exploring a new world, too. My heart goes out to his family and good friends, and all the people who will miss his Spirit and Kindness, and smile. I only knew him a little, but feel his loss from us this day. Hai Hai, Jerry.
