Tribute from Linda (Berg) Hunter & Stephen

Relation: Great Aunt

Dear Duane, Karen & Stephanie. This is a late condolence message but I want you to know that I think of you nearly every day. In a perfect world, our children would never leave before their parents do. I have great faith in God and his will, and often say "God knows what he is doing". Jesse may not have lived long, but he lived big, he lived well and he left his mark wherever he went and with all those he touched. This was so obvious at his service. You may not have him physically in your house daily, but he is always there with you. You were given a great gift with Jesse, now he will share his love and joy somewhere else. Love Auntie Linda
