Tribute from Andrea Austin

Relation: Former teacher

One of the greatest gifts a teacher receives is when a former student stops to talk to you, even years after they were in your classroom. Joel always had a huge smile on his face when he would ask, "Hi, how are you?" That always made my day and was a true testament of his character. He was an amazing young man. Sending all of his family and friends prayers for strength and guidance in the days ahead...

Andrea
