Tribute from Vivien cormier

Relation: We are from cold lake and attended Pontiac game

To all family members, our sympathies. We met him at Pontiac hockey games and I lovingly called him "Gramps". He said he was honoured to have me call him that. Every time pontiacs scored we would turn to each other and give the high five. I actually called him up on the phone and spoke to him a little over a week ago. I was honoured to know him and get to say hi to some of the family he sat with. I will always remember him in my heart and will miss seeing him at the games. Gramps you were a gentleman and we shared some little talks. You are now with your Olga who you told me all about.
