To Jenny, Jeff, Joey and Families: Garry and I were very saddened to hear of the passing of your Dad, Joey. We have so many memories of when he first opened the garage, the Chamber of Commerce, the Customer Appreciation parties and his great community involvement. We remember how he used to do the fireworks every Heritage Day and did such a great job with that. It was such a great thing that he was able to share his passion with racing and engines with you all for so many years. He will be truly missed. Our thoughts and prayers are with you during your time of great sorrow.

Jenny, Jeff and Joey, it is with great sadness that I send condolences to you and your family. One of my first jobs was working at the gas station when I was in high school. What I learned about your dad was that not only was he a talented mechanic, he was kind, patient, funny and hard working. Sorry for your loss, he will be missed.
