To the entire Garwasiuk family. Our sincere condolences on the loss of your mother, grandmother and great-grandmother. We knew Josie well as neighbors, and friends raising our children together. Sincerely, Elsie and Terry.

**Tribute from Irene Bruce (Dubrule)**

Relation: Friend

My deepest sympathy to Josie's family. I met Josie when Shirley married my brother John. Josie spent a lot of time at mom and dad's house sitting around the kitchen table drinking tea and sharing stories with my parents about their childhood. She will always be in my memories.

**Tribute from Norma Cole**

Relation: Working partner

Condolences to your entire family. I had the joy of meeting Josie when she came to work at the St. Paul RCMP office as my right-hand gal. Josie had just recently lost her husband and your Dad at that time, but adopted our staff as her extended family. She was always cheerful and ready to help out with whatever was going on in the office, correspondence, radio, whatever in our large family of members and us two gals. Good memories of your Mom will help ease your loss.
