**Tribute from Alanah Quintal**

Relation: Sister

I love you my brother . I'll never forget you , I won't forget you , you meant the world to me and I won't stay sad for to long , I know you would want that . For now rest in peace and I'll see you in paradise or in the new future and beyond ! I always thought you were so handsome my brother and so kind because you never ever hurt me in anyway . I love you now rest .
