Relation: Sisters

I always knew a time would come when we'd lose sight of one another , the pain is unbearable because I don't know the word "good-bye" when it comes to family. You were much more than a sister to me, you were my very first bestfriend, my confidant and my soul support. As the tears fall writing this, I pray our loving Creator gives me strength for the days ahead. You were a kind, loving woman who God has called home and given wings. Take flight my sister, until we meet again, I loved you yesterday, I love you today and i will love you forever. Missing you
