Tribute from Norma Rezewski

Relation: TeamLead/ Health Care Provider

Sadden to know Kathleen has left our Earthly Planet. Shared a lot of memories and enjoyed her beautiful smile while at Vilna Villa. My heart and prayers are with you. God bless

Tribute from Rod E. Mc Connell

Relation: I was her nephew.

I wish to extend my sincerest condolences to all our family members, friends and associates of my dearest aunt Kay. She was a sincere, humble person with tremendous grace and a sense of humour that was both kind and forgiving. Her presence will be greatly missed by myself and I am sure all those who have known her. I wish her all the happiness and love in her new home and the company of those loved ones who have gone before. No doubt she will be warmly welcomed with open arms and will feel at home and at peace once more.
