Tribute from Margaret, Jack & Tanesha Church

Relation: Lake friends

I read a poem once about how much people focus on the date of birth and the date of death, but what matters most is the dash in the middle. The dash in the middle represents the life lived. For us, Kathy was the always welcoming presence on the beach, the bobbing paddle-boat on the lake, an always ready pontoon cruise companion, Tobi's mom and some of the best conversations during lazy days spent on the beach. It was obvious she was very loved by her family, that is what makes it clear to us that what she did with the dash in the middle counted. We are so sorry for the loss of your mom and Baba. Our thoughts are with you.

To Dwayne, Joanne and the boys. Dave and I were both saddened by the news of your mother's passing upon our return from holidays. Dave loved to tease her in the kitchen while she helped the woman prepare the lovely catered meal to both Christopher and Kelsey's weddings. We also have fond memories of her as she sometimes travelled on the bus with all of us to numerous hockey games. She was a special lady and will be missed by many. Take care in the days and months ahead.
