Relation: Uncle

First of all what a wonderful picture of uncle Ken. Truly captures that happy cowboy. I have too many wonderful memories of uncle Ken but a few that I remember the best are always coming to your house to play card games (screw or trick your neighbour was a favourite) and visit. The other one the sticks out the most is how often Uncle Ken would be up a family wedding, graduation, anniversary or even birthday singing "For he/she/they are a jolly good fellow" in Ukrainian. Uncle Ken your truly are a jolly good fellow and we will miss you dearly. Sending love and prayers to you Auntie and cousins. Xox

Memories of a good man, a good father, a good husband and a good steward of the land are everlasting. Time does not diminish these memories but strengthens their purpose. Their purpose- to remind us to celebrate and embody the gifts that were instilled in all who knew Kenneth. May the Angels wrap their wings around you and show you love and mercy as you remember, celebrate and grieve this man's wonderful life

Tribute from Debbie and Shane Johns

Relation: Niece

Uncle Ken will be greatly missed by all of us. He was a wonderful , loving person who left with us with many memories to cherish. Family gatherings with guitar playing and singing, quadding through the family farms, laughs around the lakeside fires and many more. The only regret we have is that we will never be able to take that motorbike ride down the open highway as we had planned to do, riding side by side with the wind in our faces. Ride free in heaven Uncle Ken - much love and hugs!

Tribute from Marylin and Eugene Kuzub

Relation: friends

We share our grandchildren, Evannia and Ruslan and through them you will live on Ken. As well, all the memories we've shared over the years, Evannia's birth when we danced together on the driveway in happiness, looking forward to Ruslan's birth even though you were not feeling well, but still couldn't wait to see if it was a boy or girl. All your grandchildren are a part of you, so in Jackson, Tye, Evannia and Ruslan, you are well represented. You always enjoyed a good joke and had many of your own you loved to share. The trip we took together to Cuba will always be a very special memory - that was when you showed Eugene how to do Suduko and now he's hooked on it still. The hugs you always got from the servers in Cuba - they sure loved you. You and Shirley always made us feel welcome and a part of your family. You will be missed so very much and you leave behind family and friends who will always remember you. Rest now Ken, you deserve this peace.

My brother Ken was a very special, precious being to me. He was a wise fun friendly baby brother. I will very much miss his humor and attentiveness to details in everyone and everything. Ken, Shirley, myself and more had a great fun time in Peru with many good belly laughs. I will miss this a lot. Many loving caring memories which I will never forget. Rest my dear sweet brother. You will forever have a special place in my heart. Hugs forever sweet man!!!!

Tribute from Rod Rosychuk

Relation: Cousin

As you go through life, it is not uncommon to come upon individuals who, in retrospect, have been very influential in formulating your own lifestyle. They have often led by example. Kenny was one such individual in my life. When I was very young, I was given the opportunity to spend a considerable amount of time with Kenny as I visited the Mastaler family on the farm. I was thrilled to be able to hang out with Kenny and do so many of the things that young "farm boys" do. I treasured these interactions. Kenny so impressed me with his inquisitiveness, ingenuity, tenacity, loyalty, dependability and sense of humor. Although I suspect he never knew it, I tried to emulate many of those traits. Throughout the years, I was so impressed by Kenny's ability to maintain all those attributes as it led him to being the very wonderful family man, electrician and "steward of the land and animals " that he became. Over these many years, I and my family have thoroughly enjoyed every opportunity we had to interact with Kenny. Our sincere condolences to Shirley , Dayna, Crystal, Brian and the rest of the Mastaler family. Our thoughts and prayers are with you.
