Relation: School Friends

I went to school with Kevin from Kindergarten to Grade 12. To me he will always be remembered for his quick wit and his sense of humor. He would always do the unexpected to make you laugh or entertain you. We have not kept in touch over the years between family, work and distance but I will always remember him as my friend that I shared my lunches with and 9 times out of 10 it would be his lunch he would share it even if I did not have one. My heart goes out to his Family I am so sorry for everyone.
