Tribute from Marielle Dagenais

Relation: Attended AVC and worked at Ashmont Elementary

Laura was an incredible lady. She had a heart of gold and loved everyone. She was soft spoken and had so much patience. Laura was known as kookum to many students. I loved Laura for the person she was. May her memories help the family and extended family through this difficult time. God bless you all.

My deepest Sympathy to all Laura's children, grandchildren and family members. She was a wonderful person with a good heart and a great spirit. I am truly sorry that I am not able to attend her service, but I send you all my prayers and love at this difficult time. She will be fondly remembered!

Tribute from Janet Morrow

Relation: I worked with Laura at Ashmont Elementary School.

My sympathies to Laura's family. She was indeed a special lady. Always kind, patient and caring. She never raised her voice and the children responded to her quiet, caring manner. Laura also had a great sense of fun and enjoyed a good joke. Working with her was a pleasure. She will be missed.

Tribute from trina anderson

Relation: she was my teacher in ashmont...

She will be missed, such a kind hearted lady, she was my teacher in elementary.. our class was very rambunctious, but she had this ability to settle everyone down with never raising her voice.in the past few years I ran into her, after so many years she remembered me. She remembered my name, my stories. She reminded me of so much in my younger days. She will be missed, condolences to the entire family, friends, community, those who met this incredible woman... heaven gained a angel.

Tribute from Janet Lawton

Relation: I worked with laura

As was already said Laura was a kookum of the heart for many children. She bloomed with a smile when ever she spoke of a child and was tolerant of them all. Laura accepted people as they were with out concern for their background. If your had to call her anything it was an Angel on Earth and now she is in heaven.
