To the entire family -- my thoughts and prayers are with all of you at this sad time. Your Mom was like a second mother to me during my school years. I will always remember how she said things the way it was. Valerie, she had to tune us in a couple times for our silliness. She did it in an objective manner. I will remember your Mom as caring, giving, and full of love and laughter. She will definitely be missed by those she left behind. Love always, Anita Burrill
