I am so sorry to see the obituary of your brother Les. We got to know Les thru you when we would be sitting at the firepit together at Lake Isle. Les was a great man and was very well respected when he worked at Byers for many years. He will be greatly missed by many people. May he rest in peace and you will forever had precious memories that no one can take away from you. May God continue to wrap His loving arms around you ,during this very sad time ,for you and the family
